

ScienceFirst Staff Expansion

CEDAR KNOLLS, NJ, June 5, 2008--ScienceFirst is pleased to announce that two new associates have joined the Cedar Knolls office.

Pavel Kramata, PhD has been named Medical Marketing Manager. Before joining ScienceFirst, Dr. Kramata held the position of Assistant Research Professor at Rutgers University investigating the role of DNA damage and DNA replication stress in cancer development and prevention. Dr. Kramata, a published author, brings to the ScienceFirst team 12 years of biomedical research and writing experience in academia and the biotech industry with a focus in the area of molecular and cell biology.

Theresa Lukey has recently joined ScienceFirst as Account Director. Lukey brings 20 years of diverse strategic planning and account management experience in drug development and pharmaceutical marketing. Lukey has an MBA in Business from the Zicklin School of Business of Baruch College and most recently held the position of Strategy Consultant at Euro RSCG Life x2.
